under "Voter Resources" to find local contact information.

Urgent Message from California Secretary of State KEVIN SHELLEY

Pollworkers needed!

Volunteer as a Pollworker

Needed: Volunteers like *you* to work at neighborhood polling places in the upcoming election.

Every election requires thousands of volunteers to work in the state's polling places, including those in your neighborhood. Pollworkers check in voters, provide voting materials and answer questions.

Being a pollworker is a great way to meet your neighbors, serve your community and help make sure California's elections run smoothly.

Pollworkers earn \$\$\$. Pollworkers are eligible to earn a monetary stipend for their service. Bilingual citizens are especially urged to volunteer as pollworkers so that everyone can vote.

Please help make every vote count.
Be a pollworker.

Minimum Requirements

- Be at least 18 years of age
- Be a registered voter
- Read and write English fluently
- Be able to work on Election Day
- Attend a training class
- Have transportation to and from the polling place

All this information and more is available at:

**myVote
COUNTS**

Student and State Employees

California law also allows high school seniors in good standing and over 16 years of age to be appointed as pollworkers, and it allows state employees to take time off without loss of pay to serve as pollworkers. Students and state employees should contact their county clerk/registrar for more information.

How Do I Get Involved?

Your county clerk/registrar can provide more information. To find contact information for your county clerk/registrar, go to **www.myvotecounts.org** and click on "County Election Officials".
